Recommended deductions for net panels only are:

- 1/4" deduction for a single panel.
- 3/8" deduction for a double panel.
- 7/16" for bifold shutters.

Net panels are panels only and are shipped without hinges.

Check if you want panels hinged for \$.75 psf surcharge. Hinges are placed according to "Panel Code" left and right.

Check if you want hinges sent with order for you to hinge. Hinges are \$1.50 each for non mortised hinges.

Every 2 panel opening receives an Astragal Stile on the right panel. A 4 panel bifold would receive 3 panels with Astragals and 1 with Plain Stiles only.

Panels may come + or - 1/32" in width due to variations in extrusions. Our production tries to under size before oversizing.

*Divider Rails are measured from the bottom of PANEL to the center location of the Divider Rail. We will get within one inch up or one inch down from center point and still maintain even spacing for the louvers and even rail sizes when possible.

Authorization:
 I understand that this is a custom-made product and is not subject to change, cancellation, or return. I also confirm that the width, length, color and style of product is correct. THIS WORK ORDER CONSTITUTES A CONTRACT.
